

HSCP Strategic Plan Consultation Underway

Glasgow City Integration Joint Board / Health and Social Care Partnership have prepared a new draft Strategic Plan that will shape our health and social care services over the next three years.

To ensure the draft plan meets the needs of the citizens of Glasgow, we want to ask people who have an interest in or are involved with our work to tell us what they think of the draft plan. This will help us make the best decisions we can for the benefit of those who rely on our services.

The consultation is designed to provide you with the opportunity to hear about our plans for services that impact on older people and their families, and give you the chance to tell us what you think.

You can find a copy of the draft Strategic Plan and a consultation survey here:

<https://glasgowcity.hscp.scot/strategic-plan-consultation>

You can also request a paper version by contacting our Communications Team on: 0141 287 8788.

Places are limited so please book by

Parking (charges apply) is available in the Buchanan Galleries

Other Events

- Primary Care Event Thurs 10th January 2019
9.30am—12.30pm
- Housing Event Fri 11th January 2019
9.30am—12.30pm

HSCP staff and partners took part in a series of events across the Locality to celebrate the 70th birthday of the creation of the NHS.

At Leverndale Hospital Balmore Ward held an afternoon tea party with live music, buffet and a range of activities for patients, families and staff to enjoy. Urban Roots and the Mental Health Network joined in by providing arts and crafts, planting herbs and tidying the Balmore garden to get it ready for winter. Relatives and carers were invited to share their experience of coming to Balmore Ward and their feedback is now displayed in the foyer.

The South Sector Health Improvement Team and Youthbank South Glasgow, a panel of young grant makers, hosted 'The Big Birthday Bash' in Castlemilk Youth Complex for 80 young people on Wednesday 17th October to celebrate 70 years of the NHS. The event included workshops and activities for young people, live music performances and information from the 'Google' bus which supports people with employability. Youthbank South Glasgow also funded 5 local projects on the night for their health-related ideas such as healthy cooking activities and combating isolation through technology. For more information on Youthbank South Glasgow please contact Stephanie Thomson on 0141 232 8092.

The final event in our year of celebration was on 26th November at the Shields Health and Care Centre. In partnership with Urban Roots and Pollokshields Development Agency a community Winter Warmer Festival was held, with information stalls, food, arts and crafts and other activities.

Thank you to all our staff, partners and volunteers for organising these events.

Countdown to the opening of the New Gorbals Health and Care

The New Gorbals Health and Care Centre is scheduled to open on Monday 21st January 2019. Plans are now underway for the transfer of services from the current health centre, Twomax building and Southbank Centre. The address will be:

**New Gorbals Health and
Care Centre
2 Sandiefield Road
Glasgow
G5 9AB
Telephone:
0141 201 5000.**

Contact us using the details on page 4 or follow [@gorbalscentre](https://twitter.com/gorbalscentre) to keep up to date with the opening arrangements.

Shifting 15 tonnes of soil

Putting their back into it!

The finished product

Corporate Volunteers Dig In at Ward 3A

Earlier this summer Elaine Melville, Volunteer Services Manager organised for staff from Portakabin Scotland to volunteer a day of their time at Leverndale Hospital to help improve the garden area in front of Ward 3A, an acute admission ward.

Eight enthusiastic and motivated staff gave their time and a lot of energy on the day and managed to achieve the goals of the project which was no mean feat as it involved shifting 15 tonnes of soil! It has given the front entrance area a much needed facelift and is now much more welcoming.

Feedback from patients, visitors and staff has been extremely positive. Thanks to Portakabin Scotland for their hard work!

Allen Lane Foundation

Grants of up to £15,000 are available to small registered charities, voluntary groups and charitable organisations in the UK for work that makes a difference to people's lives as opposed to simply alleviating the symptoms or current problems and should aim to reduce isolation, stigma and discrimination. There is no current deadline for applications. Further information is available from:

Email: info@allenlane.or.uk

South Locality Engagement News

South Locality does not have a formal Locality Engagement Forum. Instead, we have a flexible approach to locality engagement and tailor participation and engagement opportunities to meet local need. Our approach has three main elements:

- A Locality Engagement Network offering a quarterly new bulletin with news about local health and social care services
- Locality engagement activities such as public meetings, focus groups and engagement sessions on key issues
- Supporting our staff to offer engagement opportunities at the point where people access our services

Our Locality engagement activity in 2018 has included:

8

Community sessions held on a wide range of health and social care issues

5

Public facing newsletters

3

Public facing events held, attended by over 180 people

For more information on any aspect of our locality engagement arrangements, to request this newsletter in an alternative format or to unsubscribe from this mailing list please contact Lisa Martin, Community Engagement Officer at: Lisa.Martin@ggc.scot.nhs.uk or call 0141 427 8269. Thank you.
