1. Purpose

- 1.1 The purpose of this report is to seek approval of a proposed change to the Standing Orders as they apply to the Integration Joint Board and its Committees.

2. Standing Orders

- 2.1 The Integration Joint Board is required by statute to have Standing Orders in place, a number of which are prescribed in legislation.
- 2.2 The current version of the Standing Orders which apply to proceedings of the Integration Joint Board and its committees was agreed on 24 June 2016.
- 2.3 At the Integration Joint Board Public Engagement Committee held on 13 September 2016 a discussion was held around what happens if there is no quorum. Standing Order 10.4 states that if there is no quorum 10 minutes after the scheduled start of the meeting it should be adjourned to another time to be decided by the Chair. Standing Order 10.5 states that if during the course of a meeting it ceases to be quorate, the meeting shall also be adjourned.
- 2.4 Members felt that the Standing Orders as adopted were unsatisfactory and stated that the Integration Joint Board and its Committees, where no quorum is in place, should still be able to discuss agenda items and request information from officers, although accepting that without a quorum no substantive decision could be taken with regards to discharging the functions of the Integration Joint Board or its Committees.

- 2.5 While a number of items within the Standing Orders, including what constitutes a quorum, are prescribed in legislation and cannot be changed, the process with regards to what happens where there is no quorum is not so prescribed and therefore Standing Orders 10.4 and 10.5 may be amended by the Integration Joint Board if members wish to do so.
- 2.6 A proposed revision to Standing Orders 10.4 and 10.5 is appended to this report, with changes highlighted to show revisions.

3. Recommendations

- 3.1 The Integration Joint Board is asked to:
 - a) approve the revised Standing Orders as appended to this report.
