These officers will support activities of the Partnership through a working agreement between the HSCP and Democratic Services.
Implications for NHS Greater Glasgow & Clyde:	None

1. Purpose

- 1.1 The purpose of this paper is to update committee on progress of work to define the role of the Community Development and Community Engagement function in support of the Integration Joint Board's Participation and Engagement Strategy.

2. Background

- 2.1 The IJB Public Engagement Committee of 22nd March noted a report advising of a review of the working arrangements between the Health and Social Care Partnership (HSCP) and Glasgow City Council's Democratic Services, in relation to support for community development and engagement activity across the city.
- 2.2 This report, and discussion at committee, noted that further activity should be carried out to define the role of the Community Development and Community Engagement function in support of the Integration Joint Board's Participation and Engagement Strategy.

3. Progress to Date

- 3.1 Officers from Business Development and the Council's Democratic Services have had further discussions to finalise a Working Agreement which facilitates the support of the Community Development Officers, employed by the Council and based within Democratic Services, to the ongoing participation and engagement activities of the IJB and Health and Social Care Partnership.
- 3.2 Further discussions have also been held with Heads of Planning regarding participation and engagement activities within localities.
- 3.3 A workshop involving staff involved in participation and engagement activities, and other key stakeholders was scheduled for 23rd June 2017. A verbal update from this workshop will be provided at Committee.

4. Recommendations

- 4.1 The IJB Public Engagement Committee is asked to:
- a) note this report.
