Sharon Wearing	Ongoing	<p>The Ministerial Strategic Group reported in February 2019 on their review of integration. This review concluded that the arrangements for hospital budgets and set aside requirements must be fully implemented by July 2019 to enable IA's to plan the use of these budgets during 2019/20. The Scottish Government has given a commitment to work with IA's, Health Boards and Local Authorities to ensure the legislation and statutory guidance is put into practice. It is part of the action plan for the MSG report.</p> <p>Glasgow City IJB is currently leading on the development of a commissioning plan to support the strategic planning for set aside services. This plan will help determine the services which require to be commissioned under the set aside arrangements and how this will shift over time. It will be used to support the strategic planning of these services by both the health board and the IJB.</p>	Open
