It is part of the action plan for the MSG report.</p> <p>Glasgow City IJB is currently leading on the development of a commissioning plan to support the strategic planning for set aside services. The draft commissioning plan was approved at the IJB in March 2020 and has been subject to consultation. An updated draft final plan will be submitted to the IJB in September 2021. This plan will help to determine the services which require to be commissioned under set aside arrangements and how this will shift over time. There was much agreement that having a dedicated youth member is not necessarily the best option and the group agreed that we needed to be as flexible and inclusive in terms of getting input from appropriate stakeholders for items which would be relevant and of interest and can inform the committee. This will include inviting youth and other stakeholders to the committee where it is appropriate to do so. The PEC will monitor this approach.	Open
