Background/Engagement:	The IJB Public Engagement Committee meets four times per year, in 2018 three of these meetings were held at venues within the city's three localities. 2. Background

- 2.1 The IJB Public Engagement Committee meets four times per year, in 2018 three of these meetings were held at venues within the city's three localities. 3. Meeting Schedule

- 3.1 It is proposed that each of the remaining 3 meetings of the IJB Public Engagement Committee in 2019 be held in localities as below. These meetings would, along with any other relevant business as determined by the Committee, focus on engagement work carried out in the locality as a whole and in the care group upon which the locality leads on behalf of the HSCP.

- 4.2 Committee members are asked to confirm whether the format agreed for 2018 meetings should be continued for 2019, or whether any revisions to the format of the meetings should be considered for the year ahead.
- 4.3 Based on the existing workplan of the IJB Public Engagement Committee, and areas upon which Members have previously expressed a desire for the Committee to hear more about, an outline workplan for future meetings is below for consideration.
