Audit Title	Recommendation	Priority Rating	Original Due Date	Management Comments	Revised Date
Financial Planning	The Chief Officer, Finance and Resources should: Liaise with the Director of Finance at NHSGGC to obtain a permanent agreed solution to the issue of the non-recurring savings to ensure that this issue does not arise again, and Continue to work with NHS colleagues and the Scottish Government as part of the national discussions to reach an agreement on a mechanism for calculation and operation of set-aside budgets for the IJB.		31st March 2018	A draft unscheduled care commissioning plan was presented to the IJB in March 2020. This was the first step in terms of proposals to respond to the legislative requirements in relation to set aside. However, plans to report later in the year with a final plan for implementation were delayed due to the Covid-19 pandemic and a revised date has been provided for this.	
Goverance Arrangements	Management should formally agree and implement monitoring and reporting arrangements in relation to the joint workforce development plan.		30th April 2020	The Workforce Plan was being reviewed and a progress update was scheduled to be presented to the IJB in March 2020. Due to Covid 19 and the move to temporary governance arrangements this did not happen. The issue in relation to reporting requirements will be clarified in this update once it has been approved. A revised implementation date has been provided.	
Scheme of Delegation and Board Governance Arrangements	The Chair of the IJB Board and Senior Management should implement arrangements to evaluate the effectiveness of the Committee and Board arrangements and take action where appropriate.		31st July 2020	The response to the Covid 19 pandemic has resulted in a focus on the operational response and the postponement of areas of work not considered business critical. The response has also necessitated new ways of working for the IJB and Committees which require to be considered in terms of long term adoption. The reivew of Committee and Board arrangements will be delayed until the current/new working models have been agreed and given additional time to be implemented. A revised implementation date has been provided.
