1. Purpose

- 1.1 The purpose of this report is to provide a summary of the Directions issued by the Glasgow City Integration Joint Board (IJB) to Glasgow City Council and NHS Greater Glasgow and Clyde, since establishment of the IJB in February 2016.

2. Background

- 2.1 Issuing of Directions is the method through which the IJB commissions Glasgow City Council and NHS Greater Glasgow and Clyde to deliver the priorities outlined within the IJB's Strategic Plan. Directions are legally binding, and the Public Bodies (Joint Working) (Scotland) Act 2014 and associated secondary legislation establishes the framework within which they operate.

- 2.2 The IJB reviewed and noted papers on the use of Directions in May 2016 and June 2016, which are available at:

May

2016 https://glasgowcity.hscp.scot/sites/default/files/publications/IJB_Meeting_20160510_Item_5_Directions_from_Integration.pdf

June 2016

https://glasgowcity.hscp.scot/sites/default/files/publications/IJB_Meeting_20160624_Item_4a_Directions%20from_IJB_to_Council_Health%20Board_0.pdf

- 2.3 A report to the IJB Finance and Audit Committee in February 2018, available at <https://glasgowcity.hscp.scot/sites/default/files/publications/ITEM%20No%2008%20-%20%20Internal%20Audit%20-%20Review%20of%20the%20Process%20for%20Directions.pdf>, outlined findings of an audit of the use of Directions by Glasgow City IJB. This included a recommendation that consideration should be given to a periodic update being provided to the IJB of the status of Directions previously issued.

- 2.4 This report outlines a summary of the Directions issued by the IJB since its establishment in February 2016 to 9 May 2018 (inclusive), with future reports expected to be produced in June of each year, spanning the previous year. This report does not provide detailed commentary on the impacts of each Direction, as it is considered that this level of oversight is facilitated through the normal performance scrutiny arrangements of the IJB and the Glasgow City Health and Social Care Partnership.

3. Summary of Directions

- 3.1 Since February 2016:

- the IJB has issued 95 Directions;
- 57 of these were Directions to both the Council and Health Board; and,
- 25 Directions were to the Council only, the remaining 13 to the Health Board only.

3.2 Of the 95 Directions issued by the IJB:

- 65 remain open; and,
- 30 are closed or have been superceded.

3.3 The majority of Directions which are no longer open have been superceded by new Directions. The small number which have been closed without being superceded are as a result of being clearly made on a time-limited basis, or where the Direction was made that a single task be carried out and it can be evidenced that said task has been completed.

3.4 A full list of all Directions issued by the IJB to the Council and Health Board is appended to this report.

4. Recommendations

4.1 The Integration Joint Board is asked to:

- a) note this report.
