**The Out of Hours Services across NHS Greater Glasgow and Clyde are being reviewed. The services included in the review are:**

**GP OOHs  
Homelessness  
Mental Health**

**The aim of the review is to create a model of Out of Hours Services that is safe, efficient, person-centred, co-ordinated and fully integrated.**

**We wish to test the new model of care and want to hear your experiences, views and opinions about Out of Hours Services and will ask for your feedback on the suggested new model.**
