85	11 June 2025, item 12	<b>Performance Presentation: Homelessness</b> – Members requested an update to a future FASC or Development Session on the Housing First model.	Jim McBride	Apr-26	Item has been added to IJB Forward Planner as a topic for a future IJB Development Session.	Open
88	10 September 2025, item 16	<b>Joint Inspection of Services for Children and Young People at Risk of Harm in Glasgow City</b> – Officers to look at how actions that arise from audits and inspections are captured and present to the Committee to ensure scrutiny on a 6 monthly basis.	Duncan Black	Apr-26	The intention is to include updates on a 6-monthly basis for actions arising from inspections and other similar third line functions. This will be to ensure the Committee is sighted on any significant slippages. This will dovetail with executive governance arrangements to avoid duplication of effort. These are currently being reviewed following the executive restructure.	Open
