Payment of the Scottish Recommended Allowance for Fostering to Providers in the Purchased Sector

Purpose of Report:

The purpose of this report is to update the IJB on the payment of the Scottish Recommended Allowance for Fostering to providers in the purchased sector; and to note the approval by the Interim Chief Officer and Chief Officer, Finance and Resources under delegated authority, on the grounds of urgency.

Background/Engagement:

In August 2023, Scottish Government introduced the Scottish Recommended Allowance (SRA) for foster and kinship carers. This allowance has been paid to our in-house providers of foster carers however the position in respect of providers in the purchased sector was unclear. National discussions have now concluded with the outcome that providers of purchased services should receive payment to enable them to pay the SRA.

1. Purpose

- 1.1. The purpose of this report is to update the Integration Joint Board on the payment of the Scottish Recommended Allowance for Fostering to providers in the purchased sector; and to note the approval by the Interim Chief Officer and Chief Officer, Finance and Resources under delegated authority, on the grounds of urgency.
- 1.2. As IJB approval could not be obtained within the required timescale, and in view of the urgent requirement to make these payments, the Interim Chief Officer of Glasgow City IJB and Chief Officer, Finance and Resources are asked to approve under the delegated authority set out in the [IJB Scheme of Delegation](#) to officers.

2. Background

- 2.1. In August 2023, Scottish Government introduced the Scottish Recommended Allowance (SRA) for foster and kinship carers.
- 2.2. This was to introduce a standard allowance to achieve a greater degree of consistency and transparency in allowance payments and information. It was also to ensure that children in foster and kinship care get the support they need to thrive and ensure there is parity in the financial support provided to kinship and foster carers, regardless of where they live in Scotland.

3. Current Payments

- 3.1. Carers who are paid directly by Glasgow HSCP are in receipt of the SRA, however the issue of making payments to providers in the purchased sector was unclear and has been discussed widely nationally and with COSLA. These discussions have now concluded with the outcome that providers of purchased services should receive payment to enable them to pay the SRA.
- 3.2. Payment will be based on whether providers are already paying the SRA or above, which they will need to demonstrate and will be backdated to 1st April 2024.
