1. Purpose

- 1.1. The purpose of this report is to update the IJB on National Care Home Contract (NCHC) Increases (2024/25); and to note the approval by the Chief Officer and Chief Officer, Finance and Resources under delegated authority, on the grounds of urgency.
- 1.2. As IJB approval could not be obtained within the required timescale, and in view of the urgent requirement to implement NCHC increases, this was approved by the Chief Officer of Glasgow City IJB and Chief Officer, Finance and Resources under the delegated authority set out in the [IJB Scheme of Delegation](#) to officers.

2. Background

- 2.1. The NCHC is subject to national negotiation. This negotiation sets the rates which will apply for 2024/25 and the expectations in relation to the payment of the Adult Social Care Pay rate by providers.
- 2.2. The report was presented to the Chief Officer and Chief Officer, Finance and Resources on 2nd April 2024 for approval under delegated authority (see attached at Appendix 1) on the grounds of urgency.

3. Implications of 2024/25 Fee Uplift

- 3.1 The rates attached within Appendix 1 are applicable from 8th April 2024 in line with Scottish Government notification to Local Authorities dated 21st March 2024. A rate of 6.76% has been applied to nursing care and a rate of 8.30% for residential care. These uplift rates will be applied to both the NCHC and the other commissioned services which are included within Appendix 1.
- 3.2 The cost of the uplift amounts to £7.886m for 2024/25. Budget provision has been made in the IJB's 2024/25 budget to meet this commitment.

4. Adult Social Care Pay

- 4.1 This arrangement requires all providers to pay all workers providing direct care, regardless of age, experience or time in employment, a minimum of £12.00 per hour. This is in line with the commitment to the Adult Social Care Pay policy which has been agreed between Scottish Government and COSLA.

OFFICIAL

- 4.2 In addition, the rates set out at 3.1 have benchmarked domestic and catering support staff to the National Minimum Wage, this is £11.44.
- 4.3 On this basis the National Care Home Contract will be varied to ensure:
- Any provider delivering publicly funded care must pay all direct adult social care workers a minimum of £12.00;
 - Providers agree that remuneration can be periodically monitored by the commissioning authority, including direct verification with employees of the provider;
 - There will be no displacement of any other costs onto staff by the employer.

5. Agenda for Change

- 5.1 The rate currently excludes an increase in pay for nurses and associated differentials. The offer comes with a commitment to consider the appropriate uplift to nursing care rate, maintaining associated differentials, within the model once Agenda for Change pay negotiations have been concluded. Any further update to rates will be the subject of a future report.

6. Recommendations

- 6.1 The Integration Joint Board is asked to:
- a) Note approval by the Chief Officer and Chief Officer, Finance and Resources under delegated authority, on the grounds of urgency: and
 - b) Note the approval was undertaken in consultation with the IJB Chair and Vice Chair.
