

Locality Engagement Forum (LEF) Engagement Session

**Join our Online
Locality Engagement Sessions focusing on
Living with Diabetes
Parkhead Hub update
using Microsoft Teams on:**

Tuesday 30 November 2021 @ 10.00am – 12.15pm

Join us to find out about:

Diabetes afflicts more people in the UK than any other serious health condition. The session will explain the different types, symptoms and causes of diabetes and provide advice on self management. This is an opportunity for people living with or caring for someone with diabetes to ask questions they might have about the condition.

North East Health & Social Care Hub (Parkhead) Update

A major milestone has now been reached with Planning Permission being granted on 31/8/21 and work commences on site February/March 2022. We will also have information on a range of community benefits now being developed as part of the Hub project.

To book a place please contact [Elaine Ralston/Katrina Henderson](mailto:Elaine.Ralston@ggc.scot.nhs.uk)
