COVID Working

- Restricted Services - Utilising digital platforms where necessary
- Remained Open – Prioritising most unwell and vulnerable patients
- Home Visits
- Some staff redirected to keep front line services such as hospitals open
- Maintaining crisis responses services

Priorities Moving Forward

- Rebuilding Community Mental Health Services
- Maintaining & building on staffing profiles
- Monitoring of waiting times from referral to assessment to treatment
- Restabilising physical health clinics
- Improving access to peer support workers with lived experience
- Delivering access to employability services
- Working in conjunction with 3rd sector providers to support the community
