

Locality Engagement Forum Session

Changes in Primary Care - what do these mean for **YOU?**

Locality Forum Engagement Session focusing on Changes in Primary Care Services (Using Microsoft Teams)

Thursday 30 September 2021 from 2.00pm - 4.00pm

General Practitioner (GP) and Primary Care services are often the first point of contact for patients. Join us to find out about:

- How GPs are responding to the increasing demands on their service
- New ways of working for primary care contractors such as optometrists and pharmacists, and the impact of the current COVID Pandemic and
- Flu and COVID vaccinations - plans for the winter vaccination programme.

To book a place at the Primary Care Engagement Session contact lesley.mccormick@ggc.scot.nhs.uk – after registration a joining link will be sent out.
