Item (1) Margaret Muir Marie Curie Community Engagement Officer will explain the range of services provided by Marie Curie including

Nursing Service available for those with a need for palliative and end-of-life care, They also have the Helper Service, which is managed by Marie Curie providing fully trained and checked Helper Volunteers to support any terminally ill adult and their family in the comfort of their own home Their Support Line is also open six days a week, helping with both practical information and emotional support, and should it be required a Marie Curie Nurse to talk to, the helpline is open to anyone who is living with a terminal illness or those who are caring for someone that is terminally ill.

Item (2) East End Health and Social Care Hub Community Consultation sessions

As part of the next stage of the north east hub we will be running a number of workshops and engagement sessions with the Architects as follows:

Full day workshop 1 : Exploring and challenging the Brief Adjacencies Tuesday 7th May 2019

Full day Site visits : details to be confirmed Wednesday 22nd May 2019

Full day Workshop 3 : Presentation and discussion of potential options Thursday 30th May 2019

Full day Workshop 4 : Presentation and discussion of emerging solutions Friday 7th June 2019

The workshops will take place in Eastbank Training Centre 22 Academy Street Shettleston G32 9AA

Input from the local community will be vital if the Hub is to deliver new and innovative services to meet the health and social care needs of the population.

Your contribution and support to these workshops and the site visits would be appreciated.

Please reply to this advising Emma.Killin@ggc.scot.nhs.uk and/or myself advising whether or not you will be able to attend each or some of the workshops/site visits. If you cannot attend it would be helpful if you nominated someone to attend in your place.
