

Your Guide to the New Gorbals Health and Care Centre

The New Gorbals Health and Care Centre opened to patients, users and visitors on Monday 21st January 2019.

A full list of services and telephone numbers is located overleaf.

Where is my GP Practice?

All four GP Practices are located on the first floor of the Centre. Please make your way directly to the first floor using the main stairway or lifts and report to your own GP reception desk.

The Public Dental Service, Gorbals Dental Practice and the Children and Families Service are all on the first floor. They each have their own reception desk upstairs.

What other services are on the first floor?

What's on the ground floor?

The reception desk for Specialist Children's Services and CAMHS is at the end of the ground floor corridor, past the stairs. The Physiotherapy and Podiatry waiting area is past the stairs on the left hand side.

For Treatment Room services, all other clinics

and for general enquiries please visit the main reception desk on the ground floor. Staff will direct you to the correct waiting area.
