

**Glasgow City Health and Social Care Partnership
(HSCP) and Locality Engagement Forums (LEF)**

Invite you to Online LEF Engagement Sessions in April 2022

Glasgow City Health and Social Care Partnership (HSCP) is responsible for the planning, design and delivery of children's, adult and older people's services.

Locality Engagement Forums (LEF) exist to provide a space for members of the community and partners to come together to discuss issues, themes and listen to what is happening with health and social care services in the North East, North West and the South of Glasgow.

Your Voice and Views Matters so join us for our Online Engagement Sessions in April 2022 using Microsoft Teams on:
