

PARKHEAD HUB PARKING UPDATE

As we near the opening of the Parkhead Hub, we wanted to update on our anticipated partnership for car parking and benefits available to NHS and Council Parkhead Hub staff.

CAR PARKING

Car Park A at The Forge has been earmarked as the Parkhead Hub staff car park, offering easy access to the Hub, in a safe, secure environment. Car Park A is highlighted below within the yellow lines, this car park gives a direct walkway through The Forge (entering at the Toytown entrance).

We must register all NHS and Council Parkhead staff vehicles who wish to use this car park so they are not tracked on our parking system. Registration must be completed via our website: <https://forgesshopping.com/parking-parkhead-hub/> this page can be accessed from the 6th Jan (Please note this page cannot be accessed from the site navigation so must be entered directly into the search bar) your details will be updated on our system within 2 working days.

We will be running a 3-month trial to monitor the usage and implications to the centre of this parking access. During the trial, there will be no charge for the permit. All registered users will be provided with a permit sticker to be displayed in their vehicle (unbranded with no markers as NHS or Council staff for your security), if you use multiple vehicles a permit will be required for each. We ask that all staff only use Car Park A as designated so we can ensure our shoppers can still easily access the centre.

PARKHEAD HUB STAFF OFFERS

We are working with tenants at The Forge Shopping Centre to offer additional discounts or promotions for Parkhead Hub staff, those that have been confirmed so far are noted below .
